ABOUT THE PRODUCER:

Jose Jimenez Landi is the winemaker of the famed Jimenz Landi project in the region of Mentrida. He is responsible for the regions recent growing rise in fame. This is his new project outside of the family property where his creativity can continue to develop. Located in the village of Méntrida in Toledo, he sources grapes from some of the best vineyards in the region. The cooperative with whom he works has a history of over 100 years, and always has been based on traditional processes. They are the owners of all the old vines and provide amazing fruit for this very talented winemaker.
